

CALL FOR PAPERS

COunterfactual Methods for Policy Impact Evaluation Conference
COMPIE 2026

The COunterfactual Methods for Policy Impact Evaluation Conference (COMPIE 2026) will be held in the Paris La Defense Campus of IÉSEG School of Management on June 24-26, 2026.

The conference is organized by The European Commission's [Competence Centre on Microeconomic Evaluation \(CC-ME\)](#), in collaboration with the **IÉSEG School of Management**.

COMPIE brings together academics and policy practitioners to discuss developments in the theory and the applications of counterfactual methods for policy impact evaluation.

We invite you to submit papers at:

https://editorialexpress.com/cgi-bin/conference/conference.cgi?action=login&db_name=COMPIE2026

Submissions: from 1 January to 28 February 2026 using Conference Maker
Acceptance decision: 31 Mars 2026 and registration by **30 April 2026**

Keynote speakers:
